## Assist Your Brownie Along Her *WOW* Journey!

### Dear Girl Scout Brownie Family:

Your Girl Scout Brownie is sailing off on the *WOW!* journey, a Girl Scout leadership journey all about the Wonders of Water.

To make the journey as enjoyable as possible, the Brownie Friends and Family Network is being called on to supply creative *WOW!* snacks for each Brownie gathering.

Water-themed snacks like fruits and drinks will make the best *WOW!* snacks. And several gatherings call for specific watery treats like watermelon and other fruits.

Please let us know the dates of those Brownie gatherings you can help with.

**Thank you!**

## Assist Your Brownie with Her Team *WOW* Map!

### Dear Girl Scout Brownie Family:

Your Girl Scout Brownie is sailing off on the *WOW!* journey, a Girl Scout leadership journey all about the Wonders of Water.

To get started, your Brownie will be helping to build a Team *WOW* Map. This map will show all the wonders of water in the lives of the Brownies.

Girls can write, draw, paint, or create collages on the map. Your assistance with creative materials will make the girls' map truly exciting.

The Brownies will appreciate any magazines, photos, crayons, colored pens and pencils, bits of fabric or foil, or any creative materials you can contribute (just remember: recycled is best!). Feel free to let your Brownie bring these goodies to any Brownie gathering of the *WOW!* journey. Or bring them yourself. Your presence is always appreciated at Brownie gatherings.

**Thank you!**
