

Welcome!

Dear Brownie Friends and Family Network:

Your Brownie is sailing off on *WOW!*, a Girl Scout leadership journey all about the Wonders of Water. This experience will benefit her by guiding her to understand her own skills and values as she teams with others, learns to identify community needs, and then acts to better her community, inspiring others along the way.

On the journey, your Brownie will earn four awards that symbolize her leadership and how she is loving and protecting water!

Throughout their journey, your Brownie and her Brownie Team will need a little assistance from the Brownie Friends and Family Network! Talking to your Brownie between each session will make the experience even more beneficial to her! Just use the information provided on the attached overview to follow her experiences along *WOW!*

You will notice that after a few of the sessions, your Brownie will bring home a “Brownie Family Activity.” After assisting your Brownie with the activity, be sure to send it back with her to the next session. Each activity of *WOW!* builds into the next one.

Later in the journey, the Brownies will team up on a project to save and protect water. After the girls decide what kind of project to do, we’ll need help with transportation and supplies. Stay tuned for more information!

Sincerely,

Brownie *WOW!* Guide
