

Welcome!

AGENT of Change

Dear Junior Family and Friends Network:

Your Girl Scout Junior has joined a team of girls on a journey to create a powerful impact on the community. The girls will explore their strengths and powers, and then, as a team, will plan a project within a community that matters to them. The project has the potential to have a lasting effect on the community.

Your guidance and expertise can help make their experience even more valuable and memorable. Please take a moment to review the attached checklist to let us know which areas you might have expertise in, or time to volunteer for, so that your Junior and her sister Girl Scouts will have the richest experience possible. Then please help your Junior and her team by identifying any areas in which you feel you could contribute time or talent—for the benefit of all Juniors.

The girls and I look forward to hearing from you—and seeing you at sessions throughout the journey.

Sincerely,

JUNIOR FAMILY AND FRIENDS CHECKLIST
